

PATIENT'S CHARTER

Alliance Medical Diagnostic Srl
Losam

Introduction

Dear Sir/Madam,

Welcome to Losam Medical Centre. We are at your disposal for any information or needs not covered in this Patient's Charter. For the Alliance Medical Group and, consequently, for Losam (hereinafter also referred to as the "Centre" or "**Losam**"), this Service Charter is not only a guide and information tool on the structure, activities, and our services but also represents the service standards that we commits to guaranteeing to all patients who access it.

Our mission is to offer you qualified assistance with competence, professionalism, and humanity. This Patient's Charter represents not only a commitment by the Alliance Medical Group to citizens but also an agreement with user protection associations, general practitioners, and public healthcare structures that use the services provided by Losam.

In this regard, we inform you that this document has been shared with the Tribunal for Patients' Rights – Active Citizenship Emilia Romagna.

- 1983 - The private LOSAM S.r.l. was established in Soliera in 1983. In 2008, it moved to a new facility in Carpi; it represents one of the most important private healthcare medical centre structures in the province of Modena. Authorized by the Emilia Romagna Region as a Specialist Medicine centre and as a physiotherapy centre, it has developed a continuous improvement program to ensure services increasingly aligned with user needs, becoming a territorial reference point for the quality of services provided, the courtesy, and professionalism of the medical, paramedical, and administrative staff.
- 2009 – The Centre obtained institutional accreditation with the National Health Service, allowing the use of outpatient and diagnostic imaging services in agreement with the NHS. In December, the Losam Poliambulatory was acquired by Alliance Medical Srl, which integrated it into its Diagnostic Centers, overseeing its new organization.
- 2011 - Losam was merged by incorporation into the company Alliance Medical Diagnostic Srl, owned by the Alliance Medical Group.

Losam, a local unit of Alliance Medical Diagnostic Srl, is certified according to the **ISO 9001:2015** standard by AJA Europe Srl (certificate no. **08/11044A**) for the "Management and provision of medical diagnostic imaging services, including nuclear medicine activities, at diagnostic centres.

Quality Policy

The Quality Policy of Losam fully embraces and aligns the Quality Policy of the Alliance Medical Group.

The primary goal has always been to serve as a territorial reference point, not only for the quality of the services provided but also for the courtesy, expertise, compassion, and professionalism of its staff. It aims to offer high-quality healthcare assistance while continuously improving the quality and efficiency of its services.

For this reason, Losam has implemented an internal quality system and adopted a Quality Policy focused on meeting customer needs, ensuring:

- **Continuous technological innovation** and enhancement of know-how to effectively respond to market demands.
- **Patient satisfaction** and high standards of medical and healthcare services.
- **Compliance of facilities and services** with current regulatory standards, including workplace health and safety, elimination of architectural barriers, special waste disposal, cleanliness, and comfort of premises.

Quality Goal

In line with a continuous improvement approach, Losam fully embraces and upholds the Quality Goals of the Alliance Medical Group:

- **Continuously monitor customer satisfaction** to provide services that ensure the highest possible quality.
- **Expand service offerings and enhance the quality of care**, technical expertise, and organizational efficiency, ensuring continuous technological innovation to effectively meet market demands while fully complying with current regulations and upholding the principles of honesty, impartiality, reliability, loyalty, fairness, and transparency.

- **Ensuring the safety of both staff and patients** through continuous analysis of adverse event reports, with the aim of implementing corrective and improvement actions to minimize risks and maintain high-quality standards.
- **Enhancing the professionalism of human resources** through continuous learning processes, ensuring the development of knowledge while fostering innovation and improvement in work methodologies.
- **Overseeing strategic business processes** by promoting the adoption of risk-based thinking.

The activities of Losam are based on the utmost correctness and consideration of the patient and in particular follow the principles of:

Equity

The Facility guarantees all users access to the health services offered without distinction of age, sex, race, language, nationality, religion, political opinions, physical and mental conditions or otherwise.

Impartiality

The Structure inspires its action to criteria of impartiality, that is, of justice and objectivity. Each user is guaranteed a service that reflects his or her dignity.

Continuity of use

Losam is committed to providing all its patients with continuous, regular and uninterrupted services, taking the necessary measures to avoid inconvenience to users. In the event of a programmed or unscheduled absence of those responsible, a new person responsible for the continuity of the service is identified within the company, in order to minimize any inconvenience to patients.

Right of choice

Losam recognizes the user's right to choose the health facility that best meets his needs, as well as the operator with respect to the services offered by the outpatient clinic.

Participation

Users have the right to information, the right to lodge complaints and to have them answered, and the right to submit proposals for improving the services offered by the Outpatient Clinic.

Effectiveness and Efficiency

The services and performances must be provided by taking all the necessary measures to satisfy the needs and demands of the users in an appropriate manner. The effectiveness of the services is a consequence of the efficiency of the system, the level of specialization of the staff, the modernity of the equipment, the most advanced medical-scientific knowledge resulting from the continuous training.

Special Projects / Special Pathways / Agreements

Insurance Funds, Private Companies, and Associations Agreements

Losam collaborates with various insurance funds, private companies, and associations. More details are available at:

www.alliancemedical.it/convenzioni/fondi-assicurativi

www.alliancemedical.it/convenzioni/Aziende-private-e-associazioni

Access to Losam's activities

Access to the structure and orientation within it is guaranteed to users through the provision of a series of measures, which involve the presence of signs of easy visibility and understanding, even by foreign users (eg. safety signs, formed by colors and unique drawings) and signs also placed outside the structure, if necessary (e.g. indication of entrances / exits, dedicated parking lots, etc.).

The Centre shall also take all measures it considers essential for the reduction of differences in access and the protection of citizens who are fragile or belonging to risk groups:

- ❖ assistance to the blind and visually impaired in accessing diagnostic services both at the time of booking and at the time of acceptance and execution; access is also allowed for guide dogs;

- ❖ assistance to the deaf and hearing impaired in accessing the diagnostic services both at the time of booking and at the time of acceptance and execution;

- ❖ possibility of access for accompanying persons in the case of diagnostic tests to children and persons in conditions of psychophysical distress;

- ❖ previously at the stage of acceptance to clearly pregnant women, to children under the age of 3 years, to persons with disabilities and their accompanying persons.

- ❖ priority for stretcher patients* and patients with motor difficulties. **Please report the problem at the time of booking.**

* Access to stretchers is prohibited at the premises of the center. If the patient's conditions allow, he or she is transported in a wheelchair. If this is not the case, otherwise, the patient cannot be accepted..

Booking and Service Delivery

Appointments can be booked through:

- Direct request at the **Reception**
- **CUP** system at any CUP center/pharmacy in Modena and its province (for residents)
- **By phone** at 059.68.44.64 (for private exams or for users outside the Province/Region).
- **By email** at emilia.prenotazioni@alliancemedical.it
- **Online:** <https://prenotazionionline.alliancemedical.it/MODE>

When booking a healthcare service, personal and contact information must be provided; otherwise, the request cannot be processed.

Personal data collected is processed in compliance with current regulations on personal data protection. Patients can view privacy policies at the center, through the “**Modulistica**” section on www.alliancemedical.it, or via booking channels.

If the requested service requires preparation/preliminary information, the patient will be appropriately informed by the center’s staff at the time of booking.

Patients can be referred to the facility by their general practitioner, specialist doctor, or access services independently based on personal needs.

Provision of the Service

Acceptance

All information is available and published at the link:

<https://www.alliancemedical.it/modulistica>

Before the start of examinations or visits, a control activity is carried out by the Acceptance/Cashier to verify the fulfillment of the necessary requirements for the administrative acceptance of the patient.

A patient history is taken to proceed with the verification of health requirements.

During the process, it is the responsibility of the operators handling the patient to monitor the progress of the examinations or visits to ensure their effectiveness and efficiency.

In case of non-performance of the service, the patient should be given a new appointment as soon as possible.

Payment for Services

Payment for the service must be made before the execution of the service directly at the center.

Non-exempt citizens are required to pay for services according to the current rates of the Regional, which are the same for both public and accredited private facilities.

For private services, the current price list is available at the acceptance desk.

The center is affiliated with insurance circuits and associations to facilitate citizens' access to specialist and diagnostic outpatient services according to the agreements received.

Payments at the center before the execution of the service can be made by bank transfer, credit card, or cash.

Specifically, for privately booked services via the web portal, payment can be made online.

For any further information, please contact our staff

Provision of the Service

Release of Reports and Certificates

The release of reports for specialist visits is immediate. In other cases where the report is not immediately delivered to the patient, the reporting times are indicated to the patient already during the acceptance phase.

The collection of results is normally expected within a maximum of 5 working days from the execution of the service performed with the NHS (National Health Service). For private services, collection is expected within 3 working days from the performance of the examination.

For the collection of exams, all information is published at the link:

<https://www.alliancemedical.it/modulistica>

Furthermore, the interested party can request the sending of medical reports also via:

- ✓ online report services (portal, password-protected email)
- ✓ shipping to the address indicated in the appropriate form.
- ✓ Free shipping to the Centro Alfa Centre, one of the other offices of Alliance Medical Diagnostic Srl within the Emilia Romagna Region.

Reports are also available by accessing the citizen's Electronic Health Record (FSE), if the latter has activated it. Certificates of service can be requested by the patient at the front office.

Respect for Confidentiality and Privacy Protection

The center guarantees the user professional secrecy regarding diagnosis, therapy, and all private and personal information that emerges during the service.

Informed Consent

The user has the right to be informed and involved in the diagnostic and therapeutic process. Depending on the type of examination to be performed, the user is provided with any necessary information and preparations. The user can accept or refuse the proposals made by the doctors, expressing their consent or refusal through the signing of the informed consent form, when applicable.

The user also has the right to receive all clarifications they deem necessary from the operating doctors at the facility where they receive the service, according to specific competencies.

Product Standard

Below is a map of the product standards that Losam intends to pursue through its policy of continuous improvement, with indicators that allow you to keep monitored the quality level.

The Management assesses the achievement and adequacy of the objectives set in relation to: customer needs and expectations, mandatory requirements, available resources.

Parameter	KPI	Standard
Monitoring the average response time of the Alliance call center (CPA)	Average response time CPA	< 20 sec.
Customer Satisfaction monitoring	Overall satisfaction Net promoter score	>=90% >=90%
Complaints monitoring	Number of complaints received / total accesses	Trend 0%
Incident Reporting monitoring	Number of adverse events with moderate to high risk/total accesses	< 0,1 %

Satisfaction Survey

With the aim of continuously improving our services, we would be interested to know your opinion about the Structure, the staff working there and the services offered. Your indications will be very useful to us to examine the problems raised and the possible interventions to increase the quality of our services. We therefore ask you to fill in the **Satisfaction survey**, which is completely anonymous and available on acceptance.

The questionnaire can be completed digitally:

- at **Losam** through the use of a totem positioned near the reception waiting room / **QR Code** displayed in the waiting room
- through the link received via **email / SMS**

We would like to thank you for your valuable cooperation and remain available to answer any questions you may have.

Behavioral indications

➤ **Mobile phones**

To respect the environment and other users, and also to avoid any interference with the delicate electronic equipment in use in the various clinics, please turn off your mobile phones beyond the acceptance environment.

➤ **Emergency**

Losam has prepared emergency plans for unexpected events; these plans can be triggered immediately if necessary and each element plays a specific role in them. The objectives of these plans are to minimise the risks that users may face as a result of the event, to help those who may be involved and to control the event in order to reduce damage. In the event of unforeseen events, please remain calm and perform as required by the department staff. In particular if you leave the facility, do not return to your home environment, but go to the nearest emergency exit indicated by the signs.

➤ **Reports and complaints**

To report any inefficiencies, the user can contact the acceptance staff in the following ways:

- Verbal reporting
- Simple paper letter
- Telephone, fax, e-mail
- Fill in the form (**ALL PG QSA.2_A**) to be requested at the reception desk.

➤ **Smoking**

In accordance with current legislation, smoking is prohibited in the entire area inside the Centre. The use of electronic cigarettes is also prohibited. If you cannot do without them, please smoke outside the structure and switch off and store the smoking material a few minutes before returning to the rooms of the Centre.
